

**Dear Family Business Leaders
And Trusted Advisors -**

Hundreds of Family Business Leaders (and their Trusted Advisors) have trusted us to “look into the future” with them for a very specific reason.

Whether they are a startup or already well into many years with their business, they want to achieve remarkable success in all “four quarters” of their life as a business leader and owner.

And they want to avoid the “Fourth Quarter” Train Wrecks which derail even the best Business Leaders.

The Family Business Leaders we work with deploy a Pioneer Mindset. In this age of massive disruption, they know that if they and their team are not amongst today’s pioneers, the odds of continuing their family business success are remote.

These Leaders are today’s Pioneers. You are eager to explore and create new opportunities. You look for new ways to advance the lives of your colleagues, customers and families. You begin with a specific, thoughtful end in mind in everything you do. And you set a course for winning all of your “Four Quarters”.

You were successful before we showed up and no doubt you want to stay successful for the whole game. We invite you to learn more about the 4 Powerful Playbooks which we are deploying with Family Business Leaders/Pioneers who want their hard work and efforts to continue to pay off by seeing and starting with your “Fourth Quarter First.”

Sincerely,

Nick Niemann
