THE FAMILY BUSINESS CONTINUITY
**SECOND OPINION
PROTOCOL**

Based on our national experience and our affiliations with the country's leading Business Continuity, Succession and Exit Planning and Family Business Organizations, we have developed:

THE FAMILY BUSINESS CONTINUITY "SECOND OPINION" PROTOCOL

Dear Family Business Leaders and Trusted Advisors:

This Protocol has been carefully designed to provide Family Business Leaders like you with the added assurance that you will avoid the 24 "Train Wrecks" that are derailing the lifelong dreams of too many Family Business Leaders.

Through our work with Family Business Leaders from around the country, we've found there are **4 Main Goals** that most want to achieve:

- Profitable Growth
- Wealth Protection
- Lifestyle Continuity
- Personal Freedom

Family Business Leaders tell us they most want to avoid:

- Train Wrecks.

The top question we find Family Business Leaders ask themselves is: "What do I want to achieve in my lifetime for myself, my family and my colleagues and how can our business help us get there?"

Most of the Family Business Leaders who are introduced to us by their other Trusted Advisors have developed some type of Game Plan—with their Trusted Advisors assistance—geared towards accomplishing certain objectives.

Your family physician will be quick to recommend you should get a "second opinion" from a specialist on critical matters impacting your health care (or perhaps to say its time for a more comprehensive executive physical at the Mayo Clinic).

Likewise, those Trusted Advisors who have their client's best interests in mind don't hesitate to suggest a second opinion (or comprehensive check up) should be sought from a Family Business Continuity Attorney. This will address whether you still have important actions to update or deploy to win the whole game.

Our "Second Opinion Protocol" addresses the 24 Critical Game Plan Actions which should be part of a Family Business Leader's "Fourth Quarter" Game Plan.

These are the actions we evaluate when giving our "Second Opinion" on whether your present Game Plan will achieve the above 4 Main Goals and also best avoid Family Business Train Wrecks - based on your latest objectives, goals and timeline.

Our Second Opinion is not a criticism of your existing Trusted Advisors or of you or your present plan. Instead, by deploying 24 proven Family Business Continuity techniques and a Pioneer Mindset, we bring a fresh, new perspective to your existing Game Plan.

One of our guiding principles is: "All plans are firm...until changed." Another principle is "Don't wait for perfect." This "Second Opinion Protocol" puts these principles into practice so you and we can move ahead with speed, clarity and focus.

When you are ready to visit further, we are ready to visit with you.

Sincerely,

Nick Niemann

- What's missing, the presence of which will make a substantial difference in producing a better future outcome?
